

**CHAIR
DEPARTMENT OF ELECTRICAL AND COMPUTER ENGINEERING
FLORIDA A&M UNIVERSITY-FLORIDA STATE UNIVERSITY
COLLEGE OF ENGINEERING**

The Department of Electrical and Computer Engineering at Florida A&M University-Florida State University (FAMU-FSU) joint College of Engineering invites applications and nominations for the position of *Department Chair*. The position will commence August 2006.

The FAMU-FSU College of Engineering is committed to diversity and excellence in undergraduate and graduate education. The Department presently has 23 well-qualified, diverse and dedicated faculty members, with a student body of over 400 undergraduate students and about 63 graduate students. The Department offers ABET-accredited BS programs in electrical engineering and computer engineering, as well as MS and PhD programs in electrical engineering. The Department has established strong research ties with the ONR sponsored Center for Advanced Power Systems and collaborates with several major local laboratories including the NSF supported National High Magnetic Field Laboratory and the Florida Advanced Center for Composite Technologies, as well as the Center for Materials Research & Technology. For additional information, please see <http://www.eng.fsu.edu>.

This appointment is at the rank of Professor. The candidate should have an extensive record of accomplishments in research and scholarship and possess excellent leadership and communication skills. The candidate should be a recognized leader in one or more of the following areas: communications, signal processing, controls, digital systems, electromagnetics, optoelectronics, microelectronics, nanotechnologies, and power systems.

Review of applications will begin on December 31, 2005 and will continue until the position is filled. Applicants should submit current vitae detailing their professional and leadership skills, training, experience and compatibility with the mission of the FAMU-FSU College of Engineering, and vision statements for the future of the Department's research and education. Names and addresses of five professional references should also be provided. Applications and nominations should be sent via mail or email to:
